

Welcome to GatherSync! 🎉

Your Personal Event Coordination Assistant

Peter has invited you to test GatherSync - a new app designed to make coordinating group events easier. This app helps you find the perfect date when everyone is available.

Quick Start Guide

Step 1: Install Expo Go

iPhone Users:

1. Open the **App Store**
2. Search for “**Expo Go**”
3. Install the app (it’s free)

Android Users:

1. Open the **Google Play Store**
 2. Search for “**Expo Go**”
 3. Install the app (it’s free)
-

Step 2: Open GatherSync

Option A: Scan the QR Code (Easiest!)

1. Open the **Expo Go** app
2. Tap “**Scan QR code**”
3. Point your camera at the QR code below:

GatherSync QR Code

Option B: Enter URL Manually

1. Open the **Expo Go** app
2. Tap “**Enter URL manually**” at the bottom
3. Copy and paste this URL:

```
https://8081-ienb1rj930k0x92csc3x6-a41ba8ee.manus-asia.computer
```

4. Tap “**Connect**”
-

Step 3: Log In to Enable Cloud Sync

1. When GatherSync opens, you’ll see a “**Cloud Sync Available**” banner
 2. Tap the “**Log In**” button
 3. **Create an account** or use **OAuth** (Google/GitHub)
 4. After logging in, you’ll be redirected back to the app
-

Step 4: Sync Your Events

1. You should now see “**Cloud sync enabled**” banner (green)
 2. Tap the “**Sync Now**” button
 3. Wait 10-20 seconds while syncing
 4. **You should see 2 events appear:**
 - **AI Guys** - Monthly flexible event
 - **Guru Breakfast** - Monthly event
-

Step 5: Mark Your Availability

For Flexible Events (AI Guys):

1. Tap on the **AI Guys** event
2. Find your name in the participants list

3. Tap on your name
4. Mark the dates you're **available** or **unavailable**
5. The app will help find the best date when most people can attend

For Fixed Events (Guru Breakfast):

1. Tap on the **Guru Breakfast** event
 2. Find your name in the participants list
 3. Tap on your name
 4. Select your RSVP status:
 -  **Attending**
 -  **Not Attending**
 -  **No Response** (default)
-

Step 6: Sync Your Changes

After marking your availability or RSVP:

1. Go back to the **Events** list (tap the back arrow)
 2. Tap “**Sync Now**” again
 3. Your responses will be uploaded to the cloud
 4. Everyone else will see your updates when they sync
-

Important Tips

-  **Always sync after making changes** - Your availability/RSVP won't be shared until you tap “Sync Now”
-  **Sync regularly to see updates** - Other people's responses will appear when you sync
-  **Keep Expo Go installed** - You'll need it to access GatherSync until we release the standalone app
-  **Internet connection required** - Syncing requires an active internet connection

Need Help?

If you encounter any issues:

1. **Force close and reopen** - Swipe up from app switcher and reopen Expo Go
 2. **Check your internet connection** - Sync requires WiFi or mobile data
 3. **Contact Peter** - He's testing this app and wants your feedback!
-

What to Test

Peter would love your feedback on:

- ☒ Does the app load correctly?
 - ☒ Can you see the events after syncing?
 - ☒ Can you mark your availability/RSVP?
 - ☒ Do your changes sync back to other users?
 - ☒ Is the app easy to use?
 - ☒ What features would make it more useful?
-

Privacy & Data

- Your data is stored securely in the cloud
 - Only members of your events can see your responses
 - You can delete your account and data at any time
 - This is a test version - please don't enter sensitive information
-

Thank you for testing GatherSync!

Your feedback will help make this app better for everyone.
